VINAY PANDEY (Frontend Developer)

Contact | +91 8076936158   Email | abhi837688@gamil.com

Summary

I'm a beginner Frontend Developer with knowledge of HTML, CSS, JavaScript, and React. I enjoy building simple, responsive websites and want to keep learning and improving my skills.

Education

Acmt Group of College

Aug 2023 – June 2026

Courses

Full Stack Developer

September 2024 November 2025

Link : Github   Portfolio   Linkedin

SKILLS : HTML, CSS, JAVASCRIPT, REACT JS, TAILWIND CSS, FIGMA, GIT & GITHUB

Project

E-Commerce

I created a responsive e-commerce website using HTML, CSS, and JavaScript. I enjoy designing clean and user-friendly web pages. I'm excited to learn more and work on real projects as a frontend developer. Live Demo

Car-Book

I built a Car Booking website using HTML, CSS, and JavaScript. It has a clean design and lets users explore and book cars easily. I enjoy making websites that are simple and user-friendly. Live Demo

Movie Ticket Book

I developed a Movie Ticket Booking website using HTML, CSS, and JavaScript. It allows users to select seats and book movie tickets easily. I enjoy building interactive and easy-to-use websites. Live Demo
